Come join the fun! Doors open every Tuesday at 6:30 pm with play beginning at 7 pm in the Ballroom. What a fun way to spend an evening and win some money! We take a short 10-minute break around 8 pm for ice cream. We have many new players coming, so if you haven't been in a while, now is a great time to come back. You could win big!

Bridge

ambersnoddy01@gmail.com

Bridge is open to everyone already trained and experienced in playing bridge. We play duplicate bridge and party bridge in the Card Room.

We start at the beginning of November and play at 1 pm every Monday. Newcomers are welcome.

This is a group, we have no dues, no officers. We ask that you sign up when you first visit, or call Amber so we know how many tables to set up.

We love the game of bridge. It keeps our brains active. We all want to get better. It can be a difficult game to learn and we never stop learning as long as we play, play, play.

Bunco

(307) 640-6200
lorettalanden@yahoo.com

Bunco is a dice game generally played with twelve or more players, divided into groups of four, trying to score points while taking turns rolling three dice in a series of six rounds. A bunco is achieved when a person rolls three-of-a-kind, and all three numbers match the round number. We play on Wednesdays at 3 pm in the Card Room. \$5 per person goes to the prizes at the end of the game. Contact Loretta if you would like to play.

Dominos

Bob Finley (970) 390-9023

That ever popular domino game, Mexican Train, will be played every Saturday starting at 6pm in the Card Room. For those of you who don't know, that means actually starting at 6 pm not just getting ready to start. Show up by 5:45 pm to get all the visiting done before the deadly serious gaming starts. It helps to know what Dominos look like but not much more experience is needed. Just show up ready to play and have fun.

Linda Hinkley (641) 583-0510

It is similar to Rummy K or the card game Gin Rummy. We play the American and Chinese versions with the Siamese version being added this year. There are 3 or 4 people to a table and no partners. We have all the skill levels from beginner to experienced. Our main goal is to have fun, meet new people and sharpen your thinking skills at the same time!

Hobbies and Crafts

Amateur (Ham) Radio

Jim Hood Lot 684
(405) 732-6131
jimhood2@yahoo.com

The Amateur Radio Club offers one of the most exciting hobbies in the world. First and foremost, our FCC licensed "Hams" are part of a network that provides emergency communications for disasters such as forest fires, tornadoes, hurricanes, power outages, as well as for parades and marathons. We are connected with local and national government emergency agencies. Most of the time, we are building, maintaining, and operating our home stations and our national network for our own enjoyment. We even have our own satellites in space. We can visit with other hams around the world from our cars.

Some of our 130 members meet every Monday morning at 10:00 in the Card Room where we usually have a lecture by noteworthy people via ZOOM. People are welcome to join us by ZOOM as well. We also meet on Thursday mornings at Red Mountain County Park to set up antennas and talk to hams around the world.

Everyone is welcome to visit to see what we are doing. The club also offers classes to help people easily obtain an FCC license. Electronic expertise is not required. A license is not required to be a member. Dues are \$10 a year. More information is available at Sunlifearc.org and ARRL.org. The contact in GVR is Jim Hood, Lot 684, jimhood2@yahoo.com callsign K5TT.

Audio/Visual/Lighting/Sound System

Tom Robertson Lot 443
(206) 660-8625
trobert9351@gmail.com

This small group of volunteers handles any event in the ballroom requiring sound and lighting as scheduled by the Activities Office or by request. This could be an entertainer, a meeting, church, a banquet. Sometimes a request for sound is needed outside. Must be flexible as requests are constantly changing.

Prior experience is not needed, but you must have the ability to learn the many pieces of equipment.

Audio – operation of the sound board in coordination with microphones, lights, projector, etc.

Microphones – keeping them operating, placing them in position as needed, able to work under pressure.

Lighting – understanding of light board, overhead and spotlights and how it works, or the ability to learn,

Overhead Projector / screen– & how it works with the sound board.

Computer – used in conjunction with screen and sound board.

CD player and how it works with the sound board.

This group also maintains the 'green room' for outside entertainers and is responsible for placing numbered seat covers on the chairs for events.

This is a fun job and a great way to meet people with the same interests. Help here is always needed.

If interested, call Tom Robertson 206 660- 8625 or Heidi in the Activities Office.

Ballroom Decorations

Lois King Lot 767
(816) 835-8244
boocfr@yahoo.com

Ballroom decorating is a volunteer group, open to anyone in the Resort, who would like to decorate the Ballroom, front offices, and outdoor area (Christmas). Heidi, our Activities Director, often has special requests for an event. Sometimes there are requests for table decorations also. The only experience needed is some lifting of boxes, climbing ladders and enjoyment of working with many people, some with great ideas. We are always looking for volunteers to 'drop in' on a designated decorating day. Decorating is done Oct – May. If you have a holiday or month you would like to coordinate, let us know. It's a great way to meet people and it's rewarding to see your handiwork.

There are two decorating closets, one for Christmas indoors and outside and one for seasonal and events. This closet is open to any club or activity in the Resort to use, with permission. Decorations are replaced on an as need basis.

This is an all-volunteer group. It is a fun way to meet your neighbors as there are many creative people in our Resort. Everyone, men and women are welcomed.

The card making activity is creating homemade cards using card stock, stamps, ribbon, and all sorts of embellishments. This year we have 2 Cricut machines and many cartridges which will enhance the card making creativity!

This activity is open to anyone. Many people come week after week, but some people attend the classes occasionally. There is no experience necessary. Each week a new card-making technique is taught, and several samples of that technique are shown. Then each person decides what type of card he/she wants to make such as birthday, baby, anniversary, sympathy, etc. At the end of the night everyone has a new completed card to take home.

The card making class takes place in the Greenfield Craft Room beginning at 7 pm every Thursday. Sometimes the class will be repeated on Friday morning. Each session is usually \$1.00 or sometimes a bit more depending on what materials are needed.

We do ask each participant to bring craft supplies such as scissors, ruler, pen or pencil, glue, or tape.

With some generous donations and some purchases, we are able to supply paper, ribbon, and many embellishments.

We have fun while meeting new people, creating beautiful cards, and learning new skills and techniques.

Sports

Bicycle Group

Merle McMullin Lot 187
(641) 420-3140
mermcmull@q.com

First of all, our bike group welcomes everyone as long as you have air in your tires and an oiled chain and good brakes are recommended. This is a bike group, (not a club) so there are no dues or officers so all you have to do is show up and enjoy the ride. The "Greenfield Village Bicycle Group" has two different days when we ride, and we meet in front of the office by the fishpond and bicycle rack at 9 am Tuesdays and Thursdays. Tuesdays are our shorter rides, and we ride through Sunland Village and Greenfield Park which has very little traffic and this is between 5 and 8 miles. When everyone would like to see some different scenery, we will take a different route. Thursdays we have our longer rides when we will be taking bicycle paths and canal routes. The destination and distance is decided by the group. Our longer rides have become a favorite with the group. Safety is important and we want the same number of riders to return as started on our ride. We have been having coffee and treats after our rides. I will be in the Resort November through April so we can start riding anytime. Give me a call and we will start riding.

The billiards/darts club starts building momentum in early November and keeps going until the end of March.

We have open play which is open to all residents of Greenfield to play, practice and learn as well as organized events and leagues. You must be a club member to participate on organized events and leagues. All of our events and leagues are mixed (women and men).

All sign-up sheets, rules, schedules and events are posted in the billiards room in early November. Sign up early to secure your spot. We are always open to new games, leagues and events anytime through the season. Membership information is also posted on the bulletin boards. This is an annual membership which will include both Billiards and Darts. Volunteers are always welcome and needed to keep the billiards room running smoothly.

Bocce Ball

Tim Dreyer Lot 791

sdreyer0471@gmail.com

Bocce originated in Italy and a game can be conducted between two players or two teams of two or more. The Bocce ball courts are located up near the pickle ball courts. Anyone is welcome, it's a relaxing and easy to play game for all ages and all skill levels. Come out and have some fun with your neighbors. The rules are simple and for those new to the game, instruction will be given, and you'll be playing in no time. It is open play with teams being organized each day of play. No need to sign up, just show up at the courts whichever day(s) works for you; Monday, Wednesday and/or Friday at 1 pm Play usually lasts about 2 hours. This is a fun, easy-going group. At this time no dues are collected. We will be beginning our group play in January, but the courts are available anytime.

Disc Golf

Ron Howe Lot 709

Jim Lacy Lot 809
(692) 770-9852

GVR Disc Golf is open to anyone who wants to try this sport. DG is much like ball golf, 9- or 18-hole courses where you throw a Frisbee like Disc into a basket 200 or perhaps 400 feet away. Scores are the number of throws it takes to get in the basket. Like ball golf, courses have pars established for each hole. We play many various courses in the area; several very good ones are within a few miles of GVR. We also have our own practice basket in the Citrus Complex to work on putting skills.

The group typically plays twice a week. An invite is sent out early in the week and as responses come in, rides are arranged. We play in the morning. Pick up is usually 8:30 am and we finish 11:00ish, usually before noon. Discs will be loaned to beginners. While there are no dues or charges, occasionally you may be asked to drive. Co-leaders will arrange additional rounds for beginners to show the basics, rules, and etiquette of the sport.

DG, as a rule, is good outdoor fun, great exercise and somewhat casual. We can be a bit competitive but largely we're playing to improve our individual skills. We have a good time and enjoy the camaraderie.

Again, all are welcome.

Golf

Sherry Noyes Lot 743
janoyes2015@gmail.com

The Golf Club invites all residents (owners/renters) of Greenfield Village Resort to become club members and to join us in playing golf at various courses in the area. Club membership is \$10 per person for the season. Presently there are:

- 2 - 9-hole mixed leagues

- 2 - 18-hole Men only leagues

League play starts in November and information to sign up for which league you choose is on the Bulletin Board across from the Post Office. Golfers are welcome to play in as many leagues as desired. Number of tee times is dictated by the golf courses.

Each league has a captain, and they are responsible for sign up methods (posted sign-up sheets, email or text).

Participate in our annual golf tournament and end of year banquet in March. No handicap is needed, club membership is required.

Hiking Group

Bill Schneck Lot 796
(509) 999-6208
forensicsci@comcast.net

The GVR Hiking Group is open and available to all Greenfield Village residents. The weekly hikes are geared for residents with moderate hiking abilities. When possible, a separate easier hike is arranged from the same trailhead parking. The hiking season begins in late November and continues weekly until the end of March. The group meets every Tuesday morning at 7:15 am and drives to the predesignated hiking trailhead. Most hikes are within a 45-minute drive.

The activity requires residents to be in reasonable shape to hike up to 5 miles or approximately 3 hours' time. Residents should be sure to bring plenty of water, wear a hat, use sunscreen, a snack, sturdy footwear, and an optional hiking stick.

The group is comprised of many experienced hikers, and they know most of the trails we go to. We encourage anyone who knows a particular hike to step forward and lead our group. Hiking is great exercise, and we welcome anyone looking to meet new friends, experience incredible scenery, and enjoy being outdoors.

There are no dues to join, but we do ask riders to donate \$5 to the driver. A sign-up sheet and description of the weekly hike can be found in the library.

Pickleball

Doug Flowers Lot 538
(780) 902-4132
gvpickleball@gmail.com

Pickleball is the fastest growing sport in North America. Pickleball is a racquet sport that combines elements of badminton, tennis, and table tennis. Two or four players use solid paddles made of composite materials to hit a perforated polymer ball, similar to a wiffle ball, over a net. The sport shares features of other racquet sports, the dimensions and layout of a badminton court, and a net and rules similar to tennis, with a few modifications. Pickleball was invented in the mid-1960s as a children's backyard pastime but has become popular among seniors as well.

The sport and courts are open to all residents and guests of the Resort for open court times that can be booked on-line. Club members have a scheduled play for skill level and mixed event play on the HoldMyCourt system. Lessons are available for new and experienced players. There are no restrictions on where you are from or skill levels and all are welcome.

Pickleball is played in our Resort on our 6 courts at the Citrus complex and we have lights on 4 courts for evening play. Many RV Parks have courts and there is inter-park play as well.

Pickleball is played all season both indoor and outside. In Greenfield the nets are set up in the fall until the spring when most residents are here. During the hot summer only 1 or 2 nets are up. We have a detailed schedule of events that is on-line. See instructions at the courts bulletin board on how to access the HoldMyCourt system.

Greenfield Pickleball is a club, and you need to have a membership to join in the organized events other than open play. See the bulletin board at the courts about information on how to sign up for membership. The club is open to all residents but not guests. The club is run by an executive and has an annual AGM in February. We have many members that volunteer to help run the club and fund raise like Burger Nights.

Pickleball is great fun and very social, so you get to meet lots of great people. The sport is easier on the body, so it is a good way to stay active for a 55+ community while you are having fun. Warning that the game can be very addicting which can be a good thing.

Pool Volleyball

Pat Ryan Lot 48
(206) 619-5293
patrick.ryan@comcast.net

This is a fun sport played casually at the pool. Everyone is welcome. Come on out and "serve" yourself, (get it). There is no previous training necessary just be prepared to have a great time. The net, poles, and ball are stored in the closet right behind the showers. The short pole is mounted at either end of the pool and the second longer pole is mounted at the bottom of the pool. There may be a cap in the hole at the bottom of the pool. Remove the cap before inserting the pole and return the cap after you are done. There are instructions for set-up in the closet as well. So come on out, bring a group, and have some fun. Play with 6 to 12 people. 1 to 3 pm Monday, Wednesday, Friday and 6 to 8 pm Tuesdays and Thursdays.

Putting Green

Jeffrey Blackman Lot 161
(208) 870-2640
jablackman2ret@gmail.com

The putting green is located just north of the tennis courts. Anyone is welcome to come out and enjoy. Great for putting and chipping from short grass. There will be a small metal garbage can with seed/sand mixture for you to replace your divots with, please use wherever you see fit. If you see any ball marks or pine needles on the green, please remove them. Pine needles break down into the soil and slow, even stop, grass growth, so keeping them off the green is important.

Shuffleboard Club

Diane De Wolfe Lot 78
(858) 247-9914
dianedewolfe@shaw.ca

Shuffleboard is a game in which players use cues to push discs gliding down a court, with the purpose of having them come to rest within a marked scoring area. Shuffleboard was introduced about 1913 at Daytona Beach, Florida as a game on land. The game was so popular that it spread rapidly through the United States particularly in retirement communities.

Continued on next page...

Shuffleboard Club continued...

Anyone can play Shuffleboard and everyone is encouraged to play. At Greenfield there have been people who are very fit as well as those that are a little stiff and sore. The range of people also includes players who need the use of a cane, walker, or wheelchair. There have been players who are nearly totally blind and require another player to describe to them where the disks are located in the scoring area.

At Greenfield there are 16 shuffleboard courts which can accommodate 64 players. These courts are very well maintained and are a source of great pride in our Resort.

At Greenfield, shuffleboard is played 6 mornings a week at 9:15 but the courts are open for private games in the afternoons, evenings and on Sundays. Players that wish to play outside of the posted times must make sure that they know how to take care of the courts before playing.

Shuffleboard is a club which has membership dues, an executive, training and many volunteers, however, that while membership is encouraged it is not necessary to become a member. During the season there are a few activities and games that are only open to members. The game is fun and sometimes aggravating but it is a way of meeting new and old friends and enjoying the lovely Mesa weather while thinking of those at their northern homes in the cold. Training is provided at least two mornings a week and sometimes when requested.

The biggest fund raiser for the Shuffleboard Club is the Pancake Breakfast. The breakfasts are held in The Ballroom from 7:30 to 9 am and usually on the second and fourth Saturdays of each month. See more under the section **Entertainment, Gatherings and Meals**.

Slow Pitch Softball

Rich Scorza Lot 33
(541) 788-8833
oregonscorza@msn.com

We play softball from early January through February in the City of Mesa Senior Softball League. All games are usually played at Red Mountain Softball Complex on Brown Rd.....just east of Power Rd, in Mesa.

There are no age divisions, but the divisions are listed according to strength of the teams i.e. A B C D, etc. We play in a competitive division rather than a recreational division. We have not yet had women players but would welcome some if they would care to join us.

Tennis

Candis Brink Lot 88
tcbrink@toddandcandis.com

GVR has 5 tennis courts that are available to all residents and guests and is an active social hub in our Resort. Three of the courts have lights for evening play.

In GVR, we have many opportunities to play tennis, whether you have never held a tennis racket to the already very skilled tennis players. We have seasoned volunteer coaches and provide free lessons to beginners as well, which is called Tennis 101.

We have a very active tennis club with some members participating in the EVSTL competitive and recreational leagues with other Resorts in our area.

The courts are located in the hub of the community where we also have a courthouse for serving coffee, cookies and fun day lunches. Our club meetings are held in the Ballroom and our end of year social is held in the Ballroom or near the Gazebo where we add music and dancing to the fellowship.

Tennis is year around at GVR, with the residents and guests playing early morning or later afternoon/evening to avoid the warmer temperatures. The tennis courts can be reserved any day between 7:30 am and 6 pm with an online booking system (INSERT SITE HERE). There are open round robins every morning beginning at 7:30 am; ladies' round robins are every Monday at 1:30 pm and men's round robins are every Thursday at 1:30 pm...there is a sign-up to attend the ladies and men's round robins so that courts that are not needed can be opened for social play. The busiest months on the tennis courts are from November through March when we host league/recreational play and when many of our residents are in the Resort.

Presently dues for GVTC membership are \$30/year, social membership only are \$10/year, honorary membership where there are no dues...we currently have 15 honorary members. There are many opportunities to volunteer from holding an office to cleaning the courts (which is also a social event as beverages and fellowship is enjoyed after the work is done).

The best of friends and family are made when you join the tennis community...people with all backgrounds, ages and skills coming together for fun, fellowship, and fitness.

Greenfield Village Tennis Club has a Facebook page where events and pictures are frequently posted, and questions can be asked/answered. We have a link on the Greenfield Village website under activities. And, a certain way to be greeted/invited to play tennis is visit our courts and friendly members playing or watching tennis

Music and Dance

Hamorama

Barb Flowers Lot 538
(780) 904-4132
barb.flowers@shaw.ca

Hamorama is a fun fundraising event for Greenfield residents. Residents, if they so please, perform skits, read poetry, sing, or play guitar or whatever talent they wish to share. Over the past two seasons, donations have been accepted for the homeless veterans of Mesa. "Audience" is asked to bring in toiletries such as toothbrushes, toothpaste, combs, deodorant, or socks, etc. or money. We collected a goodly number of monetary and physical items last year. The event is growing. We have some very talented people here at Greenfield! Don't be shy. It is all in fun and for a worthy cause. If you are a "newbie" talk to Barbara Flowers.

Hamorama is open to any or all Greenfield residents. The event takes place in the Greenfield Ballroom. If at all interested, please send a note, stating same to Barbara Flowers, Hamorama Coordinator. Why become a part of this event? Because it is fun to see all the talent performing "funnies" and what have you and the rewards are many. Perhaps some might like touching their feet in the water before jumping in? Thank you, Greenfield Village residents! Your generosity at Ham-O-Rama raises donations and collects toiletries for the Mesa Homeless Veterans.

Weekly dances on Tuesday afternoons in the Ballroom known for, "the best dancing floor in the Valley!". The dances are open to all who wish to come and dance or listen to a great variety of music provided by "The Softones". The band's lead instruments are electronic accordions. They have the ability to play sounds of many instruments including horns, strings, piano, organ, or accordion keyboards. These accordions also provide the bass and drum sounds. The band also uses additional musicians who are proficient in guitar, banjo, sax, and button box. They are entertaining and fun to watch as well as dance to. Come and see for yourself! The dances include line dance, mixers, swing, old country, fox trot, waltz, polkas and some old-time rock and roll.

Doors open at 1 pm with dancing from 1:30 to 4 pm. We start at the beginning of November and go through the end of March.

Tuesday Dances are a great way to learn a new skill. It is open to both singles and couples. It's a fun way to meet new people and enjoy time with friends.

Price of admission is only \$10 per person, and you are welcome to bring your own beverages.

P.S. A recent study in Sweden has concluded that dancing is a better activity than many other activities including jogging. It uses both sides of the brain, helps with balance, plus you can make personal contact with others and it's fun.

Attention all vocalists! If you love to sing, regardless of your level of talent or experience, then the Village Voices is just the thing you have been looking for!

If you aren't a very good sight reader, or need to sit next to a strong singer who can help keep you on pitch, none of that matters as long as you are enthusiastic! We practice on Wednesday evenings from 6:30 to 8 pm in the Pima Room, beginning the first week of January and culminating with our annual concert in the middle of March. We have an excellent director and accompanist who love working with a bunch of "mature voices" as we learn a variety of pieces from the great American songbook, including a medley of tunes from a famous Broadway musical. Our annual dues are \$20, which helps defray some of our annual expenses.

Nicole Simpson Lot 802

Canada Day is a fun day for everyone lucky enough to be here in beautiful Arizona to get together and bring a little bit of Canada here.

We do a day of outdoor games shuffleboard, beanbag toss, putting, followed by a parade and silent auction (items supplied by all our Canadian friends) a small presentation with some interesting information about Canada. Then a delicious dinner and a dance.

All this is open to anyone with a ticket! We usually sell tickets in January. The time and place will be advertised. Cost for whole day is usually \$25 per person. We have a group of volunteers who will meet monthly to put it all together.

This is not a club. Our silent auction gives us the means to put on this celebration. It is always a very fun day and evening.

It is generally a lot of Canadian snowbirds but is open to anyone in the Resort!

We love having our American friends share this day with us!

So come one and All!

Each person would sign up in the Activities Hallway and indicate what food items they would bring: sandwiches, salad, or dessert (enough for 8–10 people). Each month a group of “hostesses” would volunteer to decorate the tables according to the theme they chose (like Rock n Roll); make the coffee and punch and clean up after the luncheon.

Membership fee is \$5.00 per year, which supports some of the luncheon cost, programs, decorations, and door prizes. Membership fee can be paid at the luncheon or contact the treasurer. A GALS club bar is also included for your badge with the paid fee.”

Blood Pressure

Pat Leighton Lot 148
(509) 979-2051

We all know how important keeping our blood pressure under control is and how hard that is to do at times. We have lots of retired nurses in our Resort that are willing to help monitor yours. Come see them on the second and fourth Tuesdays of the month in the Cactus Room from 8 to 10 am. They will check your blood pressure and give you a card to keep so that you have a record that you can share with your doctor as needed. This is FREE to everyone in the Resort so there is no reason you could not come, have your blood pressure taken by a trained nurse, and have some peace of mind.

Cancer Support Plus

Jean Camerer Lot 31
(612) 963-2749
rjcamerer@q.com

As a cancer survivor of 22 years, I have experienced the support of others on my journey - God, spouse, family, friends, neighbors and even strangers. The key word is "support", and it comes in all shapes and sizes and Cancer patients need it. Others who experience non-Cancer physical issues need continual support. This group meets around a table where participants are encouraged to tell (but not required) their story. Everybody has a story.

We meet to listen to the stories and learn from each other what it means to live day by day with all of it's challenges. We share a cup of coffee, maybe a piece of cheese, a cookie or a cracker, but that is not the point of our gathering. We do not bring in experts nor lecturers. When the participants are through with their stories the program is over. We encourage supporting each other as much after the meeting a during. We meet in the Pima Room, at 1:30 on the first Friday of every month beginning November 4. No dues required. Coffee & treats are free. Chairs and tables are provided.

We encourage Cancer patients and survivors to attend, along with your spouse. It encourages everyone when you attend.

This is a free program through the Mesa Fire Department, as we were able to get a Red Cross grant to cover paying Mesa Fire Department to come to our resort. So come learn how to save a loved one's life. Date and time will be announced in the newsletter and you will be able to sign up in the Activities Hallway. Wear casual clothing, you will be practicing CPR and First Aid. Bring a pen and paper for notes; test is all physical.

Water aerobics is a fun way to do your cardio workouts while staying as low impact as you can. These workouts are fantastic for anyone at any fitness level and are especially helpful for those with painful joints and muscles. The water makes it so that your workout almost has no impact at all. Everyone is welcome! Water shoes may be needed. Monday to Friday 9 & 11 am.

Bible Study

Roger Camerer Lot 31

My name is Roger Camerer. Our Bible Class meets in the Card Room at 9:30 every Wednesday beginning in November. We will be studying the Gospel of Luke. I approach the Bible as the entire word of God, the authority for faith & practice. I encourage class members to participate by adding comments and questions as they are free to do so. It is not required of attenders to participate verbally but it adds immeasurably to the interest and meaningfulness of applying the scriptures to daily life. We encourage anyone who is interested to attend, regardless of denominational or lack thereof. We have no fees, but we do ask our members on one Wednesday in March to bring a crock pot of soup to be shared with the group and the Greenfield staff. It's our way of saying thanks to the staff.
