## Manager Korner!!

We hope you all are enjoying your time here in Greenfield Village, especially this time of year! Record warm temperatures! AireBeam continues to mark streets and excavate for fiber optics installation throughout the Resort, while connecting cables for service. Please avoid construction areas. Clubs: Please avoid scheduling events during the Annual Homeowners Meeting on Wednesday, February 11 from 1 pm until? We would like as many owners as possible to attend this important meeting! January 31 is the last day to make your 3<sup>rd</sup> quarter HOA payments without incurring late fees. If you have any questions, comments, concerns, compliments or jokes you'd like to share, please feel free to contact me to schedule a time to meet. Rumors can be very destructive to the community, so please ask me for clarification on issues. You can't rely on hearsay as fact.

And now for some helpful reminders and safety tips:

- PLEASE obey all speed and traffic signs. Ask your guests to do the same.
- Please do not ride your bikes in the common area walkways to avoid any possible accidents. Please park your bikes in the designated racks.
- You MUST accompany your guests while enjoying our amenities. You are ultimately responsible for their behavior while on the premises. Thank you.
- Today and throughout the year, please prioritize keeping your Lots weed-free, clutter-free and keep all trees and shrubs trimmed properly. We are doing our best to do the same in our Common Areas. Please contact the office if you need help identifying a LOCAL, reliable caregiver for

your Lot while you are away. It is imperative you do so.

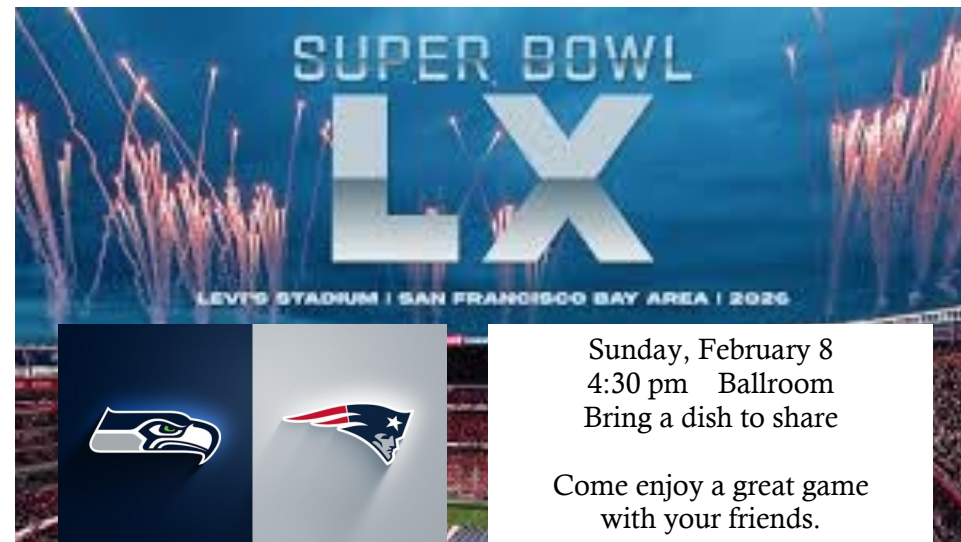

- Please do not bag your trimmings or weeds for our guys to pick up with the trash. These things don't belong in our compactor.
- Please keep trash out of the recyclables!
- Always wear clothing properly to cover up bare skin, particularly in all common areas!
- And, MOST importantly.....Be kind to one another and have a blast while you are here!!! Stay safe and laugh often!!

A very big Thank You goes out to Sue Rasmussen and Janet Johnson for voluntarily making hand made quilts and such as Secret Santa gifts this year!! Beautiful work!!!

My Best,  
Mary Ash,  
General Manager

They will check your blood pressure and give you a card to keep so that you have a record that you can share with your doctor as needed. ## Use of Our Kitchen

We are having some issues with people not abiding by the kitchen rules. If you are unsure of the rules, please ask either your Club president or come into the Activities Office and we will be happy to answer your questions.

The garbage needs to be removed and put into the donkey (brown trolley outside southwest end of Ballroom) when you are finished using the kitchen and a new bag put into the cans. This includes the Ballroom cans.

The hand washing sink is exactly that, absolutely NO food may ever be in this sink!!

The can near the 3 compartment sink is STRICTLY for dirty rags and aprons. Absolutely NO food remnants, napkins, plates, cups, etc. are allowed in the can. It is marked "No Trash"!

All counters, cabinets, handles (fridge, freezer, door) need to be wiped down.

The floor needs to be swept and mopped by everyone! No exceptions! You will find the broom and mop bucket in the store room.

These are rules from the Health Department and MUST be followed at all times in order for our kitchen to continue to operate.

### How many of you know our Board member, Huey Burk?

Back in December of 1996, Huey and her partner, Howard Ray, brought their 32 foot Airstream RV from Ft. Collins, Colorado, to Greenfield Village Resort. First renting Lot 181 Nectarine, they soon purchased Lot 185 and then Lot 184. At that time, Kay Meland was the Activities Director and soon after became the General Manager. Back then, Howard became very active in the Board of Directors, first as their Treasurer, then as President. Huey was elected to the GVR Board of Directors in February 2012. She has served eight terms on the Board, serving as Secretary for seven years, Board clerk, and Chair of the Document Committee, which keeps up to date all our governing documents, working closely with our attorney. Over her decades of service, Huey has put together the Greenfield Resource Binder, which is a record of all the documents and topics the Board has addressed in the last decade. This index binder is now available in the Administrative Office as a resource guide for members and directors.  
Not only has Huey been a loyal and dedicated GVR Board member, she was once very active with the Village Players, starring in the 2001 play, "Nonsense" as well as with Ham-O-Rama, Village Voices, and played with the ladies Tennis teams. Currently Huey enjoys her life in San Diego, working in her garden, volunteering in the local library and being close to family.  
Huey's attention to detail, her organizational skills, her understanding of parliamentary procedure, her ability to both problem solve and come up with solutions, and her dedication to serve our Resort, has truly been remarkable and appreciated. As we welcome new incoming Board members, we want to thank our outgoing Board members, which this year include Judith Thomas and

Huey Burk.  
Please join the Greenfield Board of Directors, the Administration and staff for a reception honoring all Board members immediately following the Homeowners Annual Meeting. This will be hosted by the Welcome Committee.  
Wednesday, February 11 in the Ballroom. Light refreshments will be served.

### BEWARE!!!

"My experience with BIG-O Tires"  
Last year I bought four new tires and an oil change. This year I went back for an oil change and tire rotation. They said my car was in danger of front end failure, struts, shocks, etc. at \$3200. I went to GreenLight Garage for a second opinion. The front was in excellent condition, no repairs needed!  
I feel BIG-O Tires was dishonest. Beware, Always Get a Second Opinion.

Village Voices

HAPPY NEWS! Ashley, our director, and her husband will welcome a new baby boy into their family in June. What a positive thing, and one that brings with it the hope for a bright future. Sadly, the same cannot be said for the Greenfield Village Voices. Membership has decreased from over forty (40) people within the past decade to just a handful of musically-inclined persons. Village Voices cannot survive further losses, and consideration is being given to dissolving the Voices within the next year. Your positive response and membership in Village Voices will breathe new life into this endeavor and ensure it provides an entertaining and vibrant activity in Greenfield Village for years to come. You are welcome to contact our music coordinator, Rick Stockstad, with any questions or concerns you may have. Lot # 662 Call or Text: 253-759-7785

From your Compliance Officer

Hi everyone! With the holidays over you may be asking yourself what to do with all my seasonal decorations. The first thing to come to mind is I need more storage space. Before you go out and buy a storage unit, please familiarize yourself with the Architectural/Landscape Process Committee (A/LPC) Design Regulations regarding freestanding storage units. Below are key points and they can be found in the A/LPC Design Regulations, Section 14, Freestanding Storage Units.

- Before the purchase of the storage unit, the Owner must present a site plan to the A/LPC for review. The site plan must include size, color, anchoring method, where it will be located, and meet all Architectural/Landscape regulation process requirements. Sizes more than 3 feet by 4 feet will not be approved.
- The unit can be commercially built, made of plastic, fiberglass, or other approved materials.
- Color must be approved by the A/LPC (earth tone colors).
- The placement of storage unit must be at the rear of the Park Model or Arizona Room. Side setbacks cannot be used. No part can be visible from the street.
- Freestanding Storage Units require a Greenfield Village Permit

If you have any questions regarding the regulations or procedures, we invite you to come to A/LPC meeting which meets every Tuesday at 9:30 am in the Administration Office conference room. \*\*\*A permit is always required unless you are cleaning or trimming. Sincerely, Troy Cheesman, Compliance Coordinator
