Managers Korner!!

Hello Greenfield Village!

November brings cooler mornings, more time on the patios, and familiar faces returning to the Village. We can finally sit outside without feeling like we are being preheated!

Welcome back!
I am looking forward to my first full season here, joining you for Bingo, visiting at the Welcome Back Party, and honoring those who have served at our Veterans Day celebration. With Thanksgiving approaching, I have been thinking about how grateful I am to be here at Greenfield.

Getting to know the people here has been one of the best parts of these first months. I enjoy leading this team, and I want to recognize the people whose work keeps the Village running.

Shirley knows Greenfield, and her insight and knowledge of its history are valuable as we work through questions and decisions.

Dawn, Melody, and Linda, our office team, answer questions, keep information moving, and follow through on the details. There is a lot happening on the other side of that counter, and I appreciate the attention they give to both the paperwork and the people.

Melody and Linda are also handling the post office responsibilities previously managed by Kay. That work is being taken care of, and I appreciate their efforts during this transition. If you have a question or concern about the post office, please bring it directly to the office so we can address it and provide accurate information.

Heidi brings creativity and energy to our activities, along with the planning it takes to turn a

calendar full of ideas into events we can enjoy. She coordinates schedules, volunteers, and all those details that are easy to overlook when you arrive for the fun. Apparently, she has no intention of letting us get bored! Thank you, Heidi, for giving neighbors so many ways to connect and for making room for a little more play in our days.

Maria and Shelby, our housekeeping team, keep us sparkling—even on Mondays when the weekend has clearly enjoyed itself. Their work deserves more than a passing glance. Clean rooms and spaces ready for the next gathering take real effort, and I thank them for it.

From leaks to painting, grass and trash, our maintenance team—Jerry, Don, Frank, and Steve, led by Paul—handles the work that keeps this place functioning. Jerry also lends a hand with Security. Plans can change quickly when something breaks, and I appreciate the team’s willingness to adjust, solve problems, and see the work through.

Barbara, Phil, Kenny, Rich, Paul, and Joey, our Security team, help keep us safe and informed with coverage 24 hours a day, seven days a week. While many of us are at an event or sleeping, someone is still on duty. Thank you for being there through the quiet hours as well as the busy ones.

As the weather cools and the Village gets busier, please slow down, watch for walkers and bicycles, and check your bike and golf cart lights for those earlier sunsets. If you are walking or biking after dark, wear light-colored or reflective clothing to help drivers see you. You may see an approaching vehicle before the driver can see you. When enjoying block parties and patio gatherings, keep walkways and driveways clear and

be considerate of your neighbors. Let’s leave the racing to the television.

To our volunteers, committees, and Board of Directors, thank you for the time you give to Greenfield. Meetings, planning, and following through on decisions take commitment. Your contributions are part of what keeps this community moving. We have volunteer opportunities throughout the season. Check in with the office to find a way to get involved that fits your interests and availability.

This Thanksgiving, take a moment to tell someone you noticed their effort. Thank a staff member, invite a neighbor to join you or offer a hand. It does not have to be a grand gesture to make someone’s day.

Happy Thanksgiving! I am grateful to be your General Manager and to share this season with you. Wishing you good company, plenty of laughter, and someone else volunteering to do the dishes!

Jeannie Soverns, CAAM
General Manager

Gigi will be back on Wednesdays from 11 am to 2 pm on the Patio.

Veterans Club

GVR Veterans Club is looking for our residents to join our organization. If you are a Veteran (Canadian or United States) or an RCMP and interested in actively participating or would like to just become a member, please join us. Veterans Club meets the 2nd Thursday of each month (November through March in the Pima Room at 10am).

Veterans recognition markers (US and Canadian) will be sold again this year. Please contact Jim Leonard (Lot #237) or Wayne Little (Lot #217) if interested.

A Veterans’ service and sacrifice has continued to protect “life, liberty, and the pursuit of happiness,” which are unalienable rights promised in the Declaration of Independence. Veterans Club will again be selling chances to win a beautiful crafted quilt by Bonnie Renner commemorating America’s 250th year anniversary and including a code talkers patch. The quilt will be given away at the going away party in March. You need not be present to win. Monies obtained by this fundraiser are contributed to local Veterans organizations.

AZ Blankets 4 Kids

Come to the Kokopelli Room Mondays between 6 & 9 pm and/or Tuesdays between 9 am & 4 pm and help create quilts for children who are hurting emotionally & physically. Share your time, talents, and love by making quilts for seriously ill or traumatized children in the Phoenix

area. After the quilts are made they are distributed to hospitals, police departments, crisis centers, fire departments and child protective services. You do NOT need to know how to sew. We also need people to cut backings & batting, iron fabric, pin & tie quilts. See you soon!

Annual Soup Luncheon

It’s time to start thinking about the annual Soup Luncheon on Saturday, February 6. Think about what kinds of soups and breads you would like to make and share. Tickets will remain at \$7 and sold in advance only as this is always a sold out event. More information will follow in the December Newsletter. We are looking for someone to help us with this event. Reach out to Michelle Stoneking if you are interested.

Bike Group

We are looking forward to another fun season of riding our bicycles on some of the great paths and parks that we have available nearby from Greenfield Village Resort. If you haven’t ridden with a group before we are here to make you comfortable, we have a Bicycle Etiquette pamphlet to help make this a safe and fun experience. This is a Group, not a Club so there are no fees or officers to be elected to. All you need is a bicycle with air in the tires, an oiled chain and good brakes, also recommended is a spare tube in case you encounter a flat tire. We meet at the flag poles in front of the office Tuesdays at 9 am for our shorter rides which are approximately 10 miles. As the season progresses mileage could change. Thursdays we meet at the same location at 9 am for our longer rides which are approximately 12 to 20 miles with the distance and destination decided by the group.

After our rides if you care to join us, we meet in the Arizona Room for coffee, hot chocolate and treats along with a little conversation. Looking forward to having you join us. If any questions call Merle McMullin, 641-420-3140

Invitation from your Candidate Committee –

Your Association Board of Directors is requesting you to share your ideas, your skills, your time for our communities continued improvement and development. The Candidate Committee is inviting you to become a director candidate for the 2027-2029 term.

We understand that you may feel hesitant to accept this invitation. You might be concerned about the time you need to commit to the role – precious retirement time, for all of us. And yet, we all understand that the Board's role is an integral one in ensuring the success of our Village.

Let's be transparent and honest about the role a responsible director undertakes in the business of serving on our Board:

- Yes, attend at least one Board meeting each month, perhaps one workshop
- Yes, prepare to make decisions concerning policy direction and rule appropriateness
- Yes, understand and approve proposed assessment levies
- Yes, research and analyze property development

Let's be equally transparent and honest about the position a responsible director does not undertake in the business of serving on our Board:

- No, directors do not administer the daily work of managing the Resort

No, directors do not police fiscal delinquencies, property rules – pets, pools, or parking

Each of us possesses unique skills, talents, experiences which help our HOA become the best it can be. The Board and the Committee encourage our Members to consider this opportunity. Contact the Committee members below for answers to your questions. FAQ Bulletin is included in this edition of the Villager, and found in the Administration Office, and are posted on the Condo-Web – December 1, noon, is the deadline. Thank you!

“How does an artist retire?” ♦
— Barbara Bianchi,
ArtistWithoutBorders
March 2026
Clinton, Iowa Artist Featured in
Barcelona Exhibition
BARCELONA, SPAIN -
“How does an artist retire?” asks
Clinton artist Barbara Bianchi,
whose work is currently on exhibit at
Art Gallery Delta in Barcelona,
Spain, as part of an international
exhibition celebrating contemporary
artistic research, experimentation
and dialogue.

At 85 years of age, Bianchi is
living proof that artistic expression
knows no age limits and that creative
fire can burn brighter with time.
A mixed media collage artist,
Bianchi says the following about her
work: “The works presented bring
together two periods of my
practice—collages created in Denia,
Spain in the early 1990s and
selections of oil paintings from my
Onion Series 'Peeling Away Layers
of My Soul.' Though separated by
time and medium, both bodies of
work explore layered identity shaped
by geography, memory and lived
experience.”

Bianchi earned her Master of Fine
Arts in Multimedia Art from the
University of Iowa in 1982. For
seven years she served as Director of
the Clinton Community School
District’s Humanities Enrichment
Program (HEP). In addition, Bianchi
was a member of the Iowa Arts
Council’s Artist Roster for more than
two decades during which she
presented numerous residencies in
the schools and communities
throughout Iowa and Illinois.
“I’ve always known I was an artist,”
says Bianchi. While many of her
peers are long-retired, this artist
continues to push creative

boundaries. When asked why she
keeps working, she asks simply:
“How does an artist retire? This is
my way of defying the idea that age
is a barrier to creativity.”
In speaking about the reception, a
spokesperson for the Delta Gallery
team stated, “Everyone was thrilled
with everything you shared about
your works. You were truly the star
of the opening! Your presence,
warmth, and the way you connect
with people made a huge impact,
and it was wonderful to see how
engaged visitors were with your
stories and art.”
The weeklong exhibit continues
through March 31. A virtual gallery
can be found on Instagram
@artgallerydelta. One of the featured

works in the Barcelona show,
“Onion #4,” is also available as a
free downloadable notecard via her
Facebook page: [facebook.com/
barbara.l.bianchi](https://facebook.com/barbara.l.bianchi). The public is also
invited to explore Bianchi’s work
at barbarabianchi.com and on
Instagram @barbarabianchiawb.
For more information about the
artist and her work, contact Barbara
Bianchi via email
